Further to your letter dated September 26, 2006, this is to advise that the Agricultural Land Commission, has reviewed your proposed site plan for the above noted property and have noted the recommendation of the Regional Agrologist.

The Commission considers the proposed site plan for two additional dwellings to be in keeping with the spirit and intent of Resolution # 19/2005. Therefore, the Commission has no objection to the construction of the two dwellings identified as house 3 and house 4 on the site plan.

Please be advised that the approval of the Commission does not release the owner or occupier of complying with applicable Acts, regulations, bylaws of the local government, and decisions and orders of any person or body having jurisdiction over the land under an enactment. The Commission suggests you contact the Cowichan Valley Regional District at your earliest convenience.

Please quote your file number # J-35777 in any future correspondence.

Yours truly,

PROVINCIAL AGRICULTURAL LAND COMMISSION
