Dear Sirs:

Re: Application under the Agricultural Land Commission Act, Section 11(1) by the District of Pitt Meadows for the exclusion of land from the Agricultural Land Reserve of the Dewdney Alouette Regional District - Application #111-K-80-11638

Please be advised that the Executive Council (Cabinet) has recently considered additional amendments to the Agricultural Land Reserve of the Dewdney Alouette Regional District.

A copy of Order-in-Council #305 approved February 25, 1982, being B.C. Reg. #59/82 is attached for detailing the areas that were approved for exclusion from the Agricultural Land Reserve.

This approval in no way relieves the owner or occupier of the responsibility of adhering to all other legislation, including zoning, subdivision and other land use bylaws of a municipality or regional district, and decisions of responsible authorities which may apply to the land.

Also enclosed for your information is a Notice of Determination advising of the area which was not approved for exclusion by Cabinet.

These parcels may not conform exactly to the original area requested. I would recommend that you closely compare the legal description and map on the attached Order-in-Council to the original application to ascertain the area legally approved for exclusion.

I trust this clarifies the final disposition of this application.

Yours truly,

PROVINCIAL AGRICULTURAL LAND COMMISSION
