### For Consideration

Application: # L- 37429, L-37428  
Applicant: Samuel and Sheryl Stephenson  
Agent: District of Sparwood  
Proposal: Joint Application: # L- 37429: To include the subject property to correct an encroachment and adjust the lot boundaries to accommodate a golf development. # L-37428: To subdivide and exclude the land south of Cummings Creek. This portion would be consolidated with Parcel A 1634-I.  
Legal: 1. PID: 010-804-536  
Lot 1, DL 8525, KD Plan 7116  
2. PID: 018-039-499  
Lot A, DL 7781, KD Plan NEP20196  
Location: 8555 Highway 43, Sparwood

### Site Inspection

No site inspection was conducted.

### Context

The proposal was weighed against the purposes of the Commission as stipulated in section 6 of the *Agricultural Land Commission Act* (the "Act"). They are:

1. to preserve agricultural land
2. to encourage farming on agricultural land in collaboration with other communities of interest, and
3. to encourage local governments, first nations, the government and its agents to enable and accommodate farm use of agricultural land and uses compatible with agriculture in their plans, bylaws and policies.

### **Discussion**

In assessing agricultural capability, the Commission refers in part to agricultural capability mapping and ratings. The agricultural capability of the soil of the subject properties is identified as Class 6 (non-improvable), with limitations of stoniness and topography. Land in this class is non-arable but is capable of producing native and or uncultivated perennial forage crops.

Given the small size of the portion of the property to be excluded, and the low agricultural capability of the subject property, the Commission does not believe the proposal would impact existing or potential agricultural use of surrounding lands.

Further, the Commission does not believe that inclusion into the ALR is warranted given the low agricultural capability and the small size of the area proposed for inclusion into the ALR.

### **Conclusions**

1. That the land under application has limited agricultural capability.
2. That the proposal will not impact agriculture.

### **IT WAS**

**MOVED BY:** Commissioner Marshall

**SECONDED BY:** Commissioner Griffin

THAT the application # L-37428 to exclude a portion of the subject property (Lot 1, District Lot 8525, Kootenay District, Plan 7116) be approved;

THAT the application # L-37429 to include a portion of the subject property (Lot A, DL 7781 KD Plan NEP20196) be refused.

- the preparation of a subdivision plan to delineate the area to be excluded per the drawing submitted with the application
- the subdivision must be completed within three (3) years from the date of this decision.

This decision does not relieve the owner or occupier of the responsibility to comply with applicable Acts, regulations, bylaws of the local government, and decisions and orders of any person or body having jurisdiction over the land under an enactment.
