For Consideration

Application: V-38987 (45959)
Applicant: Sandra Dixon
Agent: Tim Hall
Proposal: To include 6.6 ha into the from the ALR lying southeast of the Princeton Summerland Road. The subject property is 161.8 ha of which ~28 ha lies within the ALR.

Location: 1458 Baker Hill Rd. north of Princeton

Site Inspection

No site inspection was conducted.

Context

The proposal was weighed against the purposes of the Commission as stipulated in section 6 of the *Agricultural Land Commission Act* (the "Act"). They are:

1. to preserve agricultural land
2. to encourage farming on agricultural land in collaboration with other communities of interest, and
3. to encourage local governments, first nations, the government and its agents to enable and accommodate farm use of agricultural land and uses compatible with agriculture in their plans, bylaws and policies.

Discussion

Assessment of Agricultural Capability

In assessing agricultural capability, the Commission refers in part to agricultural capability mapping and ratings. The ratings are interpreted using the Canada Land Inventory (CLI) system.

The agricultural capability of the soil of the subject property is

Class 6 – Land in this class is non-arable but is capable of producing native and or uncultivated perennial forage crops.

The limiting subclass is topography.

Assessment of Agricultural Suitability

The Commission assessed whether external factors such as encroaching non-farm development have caused or will cause the land to become unsuitable for agriculture. The Commission believed that the 6.6 ha area proposed for inclusion lying south of the Princeton/Summerland road was suitable for inclusion because it completed the ~ 28 ha ALR grazing unit lying south of the road.

Conclusions

That the 6.6 ha proposed for inclusion is suitable for seasonal grazing and can be used in conjunction with other ALR grazing lands on the subject property.

IT WAS

MOVED BY: Commissioner R. Mayer

SECONDED BY: Commissioner S. Sidhu

THAT the application to include 6.6 ha of the subject property into the ALR be allowed.

This decision does not relieve the owner or occupier of the responsibility to comply with applicable Acts, regulations, bylaws of the local government. This includes zoning, subdivision, or other land use bylaws, and decisions of any authorities that have jurisdiction under an enactment.
