

CHAIR DIRECTIVE

Establishment of a Panel for the Purposes of Determining Soil and Fill Use Applications & Non-Farm Use Applications for Placer Mining

WHEREAS the Chair of the Commission may establish panels consisting of 2 or more members of the Commission: *Agricultural Land Commission Act (ALCA)* s.11 (1); and

WHEREAS the Chair of the Commission may establish panels based on criteria established by the Chair, which may include but are not limited to administrative regions, panel member expertise, quorum, and the type of application under consideration: (*ALCA*) s.11 (2); and

WHEREAS the Chair of the Commission may refer to a panel the power to determine an application and therefore the reconsideration of a decision for the purposes of s. 33 of the *ALCA* set out in s. 11.1 of the *ALCA*; and

WHEREAS the Chair may designate a member of the commission to chair a panel: *ALCA* s. 11(3); and

WHEREAS s.6(2) of the *ALCA* requires the Commission to give priority to factors such as protecting and enhancing the integrity of the Agricultural Land Reserve and its use for farming; and

WHEREAS the finding of the ALC's 2018 Agricultural Land Soil Investigation Report identify the need for a consistent decision-making framework that may consider factors such as:

- Agricultural capability and suitability of ALR land;
- Characteristics of proposed fill material;
- Depth, slope, grade and volume of fill material;
- Drainage and potential off-site impacts;
- Compliance monitoring and security;

I THEREFORE, HEREBY, in my capacity as Chair of the Commission:

1. without limiting my ability to establish additional or other panels for deciding these or other applications, and my discretion to refer applications to those additional or other panels, establish a panel that will, subject to other direction, decide soil and fill use applications and placer mining application under the *BC Mineral Tenure Act* in the six (6) administrative regions;
2. appoint the following members of the Commission to the Soil and Fill Use panel:
 - Commissioner Bob Hayward Farmer from the Interior Administrative Region;
 - Commissioner Susie Gimse from the South Coast Administrative Region;
 - Commissioner Gerry Zimmerman from the Okanagan Administrative Region.

- Commissioner Rick Mumford from the Interior Administrative Region;
 - Commissioner Karen McKean from the North Administrative Region; and
3. appoint myself as a member who may sit and decide on applications on the Soil and Fill Use Application Panel and appoint myself Panel Chair.
