

 <p>Agricultural Land Commission Act</p>	<p>APPROVAL RUNS WITH LAND AND HAS NO EXPIRY UNLESS SPECIFIED</p>	<p>POLICY P-03</p> <p>Amended April 2019 January 2016</p>
--	--	--

This policy is intended to assist in the interpretation of the [Agricultural Land Commission Act, 2002](#), (the "ALCA"). In case of ambiguity or inconsistency, the ALCA will govern.

An approval under the ALCA relates to the land and has no expiry date unless specifically noted as a condition of the approval. Therefore, an approval, including any terms and conditions runs with the land and applies to and binds subsequent owners of the land.
